Church Involvement / Community Service

Acts 20:35 New International Version - In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: 'It is more blessed to give than to receive.' "

I am pleased to share that my family and I are members of Lee Chapel AME Church, (<https://www.facebook.com/theleechapel>) the oldest African American AME Church in Nashville. The congregation has accepted us as members of the family, and we have responded in kind. In the church our family has received the honor of being the Liturgist Family for Sunday, March 8, 2015. I am a member of the Young People's Division Committee, and also serve as a member of the Campaign Committee.

In our community, my youngest son was blessed to attend Pre-K classes at the Wayne Reed Christian Childcare Center (www.waynereedchildcare.org). The Wayne Reed Christian Childcare Center, located at 11-B Lindsley Avenue in Nashville, is within walking distance from the area it serves. The J.C. Napier/Tony Sudekum community, Nashville's poorest, is a community in which the majority of heads of households are single parents (average age of head of households is 19) with an annual income of less than \$18,000. Our son was placed here for Pre-K after all of the local population's pre-K needs were met and has flourished here. The love and support are reflected in our son's growth during the last year. I have participated with Wayne Reed in the collection of travel-sized hygiene items to make goody bags & donate to the residents of Morningside of Belmont Assisted Living Facility during the 2014 Christmas season, and recruited at the 2015 Annual Community Health Fair serving the residents of the J.C. Napier & Tony Sudekum communities. I have volunteered to present on clinical pharmacy/pharmaceutical sciences for a campus visit by the 100 Kings minority student organization in 2014 and in 2015. The 100 Kings is an all-inclusive program designed to help black male youth develop the knowledge, skills and confidence necessary to succeed in life. One of the primary goals of the program is to prepare the students to succeed in college. KINGS begin the program as fifth graders and are required to remain until the end of the senior year of high school. I have also volunteered as a member of the parent interview accreditation team at my eldest son's school, Head Middle Magnet School in Nashville, TN.

Service to the church and our community is a tenet my wife and I have instilled in our family and we plan to continue to lead by example.

Dear Dr. Blash,

Thank you for taking time out of your busy schedule to serve as a member of our parent interview team. I am sure you provided the committee with valuable insight into Head Magnet. I appreciate your help!

Thanks again,

Sharon Kelly

Subject: Hello form Columbus, Ohio!

Dr. Blash,

Hope things are well in Nashville!

I just wanted to check-in and give you my updated contact info (work email).

How are the classes and planning for multiple semesters going?

Also, I wanted to thank you for all your mentoring and guidance (on the Belmont course and beyond). I will definitely be leveraging some of those skills, as I have been tasked with helping develop (with my boss) a course focused on 'Health information systems' for the MS Health System Pharmacy Administration residency at the College of Pharmacy here at Ohio State.

Thanks, and keep in touch!

Subject: Collection Bin

Hi Anthony! Thanks again for allowing the Parent Advisory Committee to place a collection box at Belmont to assist with collection for elderly for the holiday season. The box is ready, where do I need to bring it? Also, do I need to make some sort of flyer so students & staff know what it's for?

All items collected will be given to residents of Morningside at Belmont Assisted Living Facility.

Subject: 2013 Summit of the SE Replacement Speaker for Wednesday

Organizing Committee for Summit of the Southeast,

We have a last minute cancellation for Wednesday (Liz McNamara) 1:30pm to 2:30pm Session, Room 214. Lucky for us we have a Pinch hitter - Dr Anthony Blash who will speak on Pharmacy Informatics and Patient Safety. He is copied here. We have not worked out a title, but will speak tomorrow.

Laura - could you please refund his registration for the Summit as he is now a speaker? Also, we need to announce this change and make any changes to the Agenda on the monitors and/or have something at the Registration desk to this effect.

He is a HIMSS member but we need to get him to change states to TN. He recently moved to TN. I appreciate how he is ready to jump in. I will introduce him.

Anything else we need to do?

Thanks.

Inbox

Congratulations for reaching the goal of walking 100 miles during the Walk 100 Miles with Nashville summer campaign! That is a tremendous achievement and we are very proud of you.

We missed you at Saturday's finale celebration but you can still pick-up your "I Walked 100 Miles" t-shirt. Shirts are available for pickup from the Mayor's Office (1 Public Square, Nashville, 37211) during normal business hours (M-F | 8 a.m. - 5 p.m.) starting today. You can also pick-up shirts for your walking group team members and family members too. Please be able to provide their first and last names. Note that due to cost, no shirts will be shipped.

Please let us know if you have any additional questions, and again, congratulations!

Subject: Finale Celebration this Saturday

Finale Walk & Health Festival this Saturday, Aug. 30

It's time to celebrate the steps you've taken to a healthier and more active life! Join Mayor Karl Dean at Public Square Park downtown this Saturday for the finale walk and a health festival to celebrate the conclusion of the 2014 Walk 100 Miles challenge. The event is free and open to everyone. Enjoy live music, family-friendly activities, informational booths and more. The walk is 4 miles on sidewalk, paved trails and roads.

May 4, 2015

Dear Dr. Blash

Lee Chapel African Methodist Episcopal Church is widely known in Nashville for being a leader in meeting the spiritual and social needs of the North Nashville and surrounding communities for over 100 years. The Church is located in an historic part of Nashville where the campuses of Tennessee State University, Fisk University, and Meharry Medical College are within a radius of one mile. Lee Chapel has a respected presence in the community and supports area organizations in their endeavors.

In October 2014, the church broke ground for a new ministry campus and with our enhanced facilities, it is our mission to expand our outreach and provide the needed assistance in the community. We realize that we are an asset to the North Nashville community and are striving daily to make an even greater impact in our surrounding areas. Some of the services we currently offer are: Meals on Wheels, summer camps, and Souper Bowl Sunday. The Learning Center provides computer training, math, science, reading and other remedial educational programs. Scholarships are awarded annually to eligible graduating seniors from area high schools. Because of the lack of space and equipment we have been unable to accommodate the growing number of individuals who approach us for services.

Therefore, we are appealing to you to consider partnering with Lee Chapel and making a financial contribution to our campaign. Your support enables us to expand our services and fulfill our mission. By providing remedial educational services, joining other area churches in providing emergency overnight shelter for the homeless, and addressing the issues of health disparities we will be able to become an even greater asset to our community.

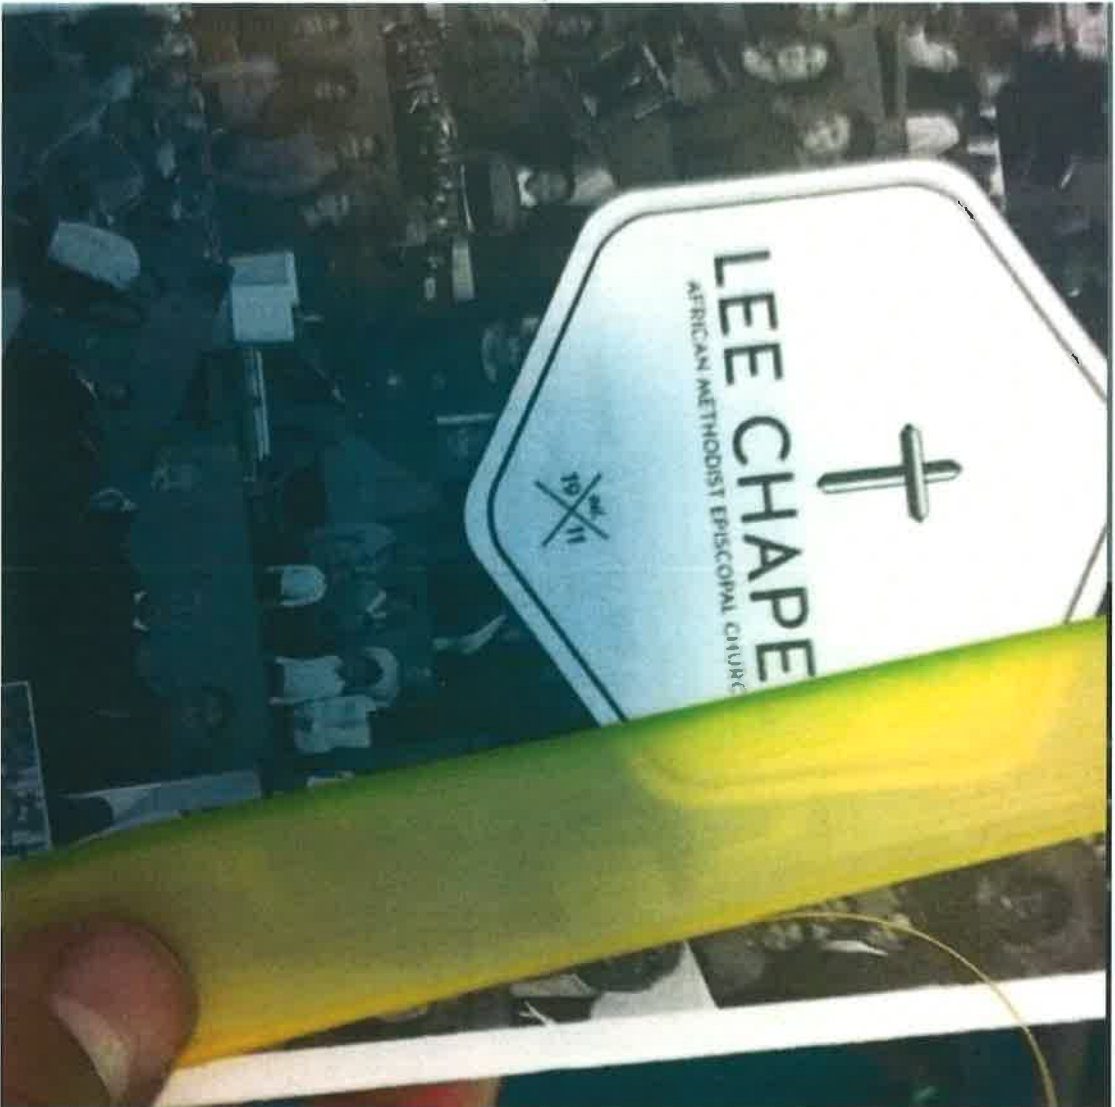

The building will also be a significant aesthetic improvement to a community which has been blighted for decades. The construction of the new facility will have an economic impact on the community and will also help to improve the prospects of future development in the area. We have been able to purchase over 15 pieces of property, much of which is aggregated with the building project.

We hope you are willing to commit to helping us reach our goal and broaden our ministries. We greatly appreciate whatever level of support you are able to provide.

Sincerely,

Chair

Pastor

informatics_doc #PalmSunday #church

informatics_doc Palm Sunday is a

X

Christian moveable feast that falls on the Sunday before Easter. The feast commemorates Jesus' triumphal entry into Jerusalem, an event mentioned in all four canonical Gospels.[3]

In many Christian churches, Palm Sunday includes a procession of the assembled worshippers carrying palms, representing the palm branches the crowd scattered in front of Jesus as he rode into Jerusalem. The difficulty of procuring palms in unfavorable climates led to their substitution with branches of native trees, including box, yew, willow, and olive. The Sunday was often designated by the names of these trees, as in Yew Sunday, or by the general term Branch Sunday.
